NOTICE OF PROPOSED RULE MAKING

Adopted: December 9 , 1998

Released: December 18, 1998

Comment Date: February 8, 1999

Reply Date: February 23, 1999

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by Oasis Financial Corporation ("Oasis"), proposing the allotment of Channel 282A at West Tisbury, Massachusetts, as that community's first local broadcast service. Oasis indicated that it would file an application for Channel 282A at West Tisbury if the channel is allotted to the community.

2. In support of its request, Oasis states that the allotment of Channel 282A would provide the community of West Tisbury with its first local service as the community has no local AM or FM broadcast service. Oasis points that West Tisbury is a community for allotment purposes. According to the 1990 Census, West Tisbury, located in Dukes County, has a population of 1,704 people while the County has a population of 11,639 people. Oasis points out that official government statistics estimate that, as of July 1, 1996, the population of West Tisbury increased to 2,169 people.

3. A staff engineering analysis indicates that Channel 282A can be allotted to West Tisbury consistent with the minimum distance separation requirements of the Commission's Rules without a site restriction.¹

4. In view of the fact that the proposed allotment would provide a first local service to West Tisbury, the Commission believes it would serve the public interest to solicit comments on the
